

Mom says I have to cut my hair.
She thinks it's too messy.
"Millie, you need a haircut!"
**"But my hair is wonderful!
Chloe and Kitty agree."**

It's not fair!
Cats have lots of hair.
Mops do, too.

The next day, Mom takes me to the hairdresser.
She also says my hair is too long!
**“But my hair is helpful! It holds so many things!
Short hair could never hold so much.”**
